Question No. :216.10

Subject: Process Improvement – Establishment of a Regional Contractor Oversight/ Review Group - Identify the existing O&M elements of cost that would be reduced as result of implementing the proposed process improvement program. Provide the specific amount of reduction by O&M element of cost and a reference to where those reductions are reflected in the company's rate case filing.

Response:

There is no O&M reduction associated with this program; the additional costs for this program are required to provide oversight for the additional contractor crews which will be utilized to supplement the company workforce.
