NOTICE OF WORKING GROUP MEETINGS ON SEPTEMBER 7 AND 8, 2017

(Issued September 1, 2017)

The next Working Group meetings will take place on September 7 and 8, 2017, at the times and locations listed below.

LMI Working Group: September 7, 2017 from 1pm - 4pm
Rate Design Working Group: September 8, 2017 from 10:30am - 1pm
Value Stack Working Group: September 8, 2017 from 2pm - 4:30pm

The meetings will be held at the following NYSERDA offices, which will be linked through videoconferencing:

Albany: 17 Columbia Circle, Albany, NY 12203-6399
(Parker D Mathusa Boardroom)

Buffalo: 726 Exchange Street, Ste. 821, Buffalo, NY 14210
(Larkin Board Room)

NYC: 1359 Broadway, 19th Fl., New York, NY 10018-7842
(Staten Island Room)

Those who wish to attend in person at one of these offices must RSVP to the respective Working Group email, noted below, by noon on September 5, 2017. Due to space constraints at the NYC and Albany offices (maximum capacities of 45 at each location), early reservations are encouraged and space will be

prioritized for active participants (one for each organization per meeting). If the capacity is not reached, remaining space will be provided for other interested attendees. There is no limit to the number of observers who may listen from remote locations by phone.

Information for those who wish to listen by phone and WebEx will be posted in DMM before the meeting. Please note that only those individuals attending at the physical locations will be able to participate in dialogue. Those who are attending by phone will be in listen-only mode. However, time permitting, an opportunity may be provided at the end of the meeting for phone participants to provide brief feedback.

Agendas for the meetings will be posted on the VDER webpage¹ prior to each meeting. Any questions should be directed to the dedicated email for each Working Group: For the Value Stack Working Group, use ValueStackWG_VDER@dps.ny.gov; for the Rate Design Working Group, use RateDesignWG_VDER@dps.ny.gov; for the LMI Working Group, use LMIWG_VDER@dps.ny.gov.

Near-term meetings are tentatively scheduled on the following dates: LMI Working Group: 10/11, 10/25, 11/9; Value Stack and Rate Design Working Groups: 10/12, 10/26, 11/15, 11/30, 12/20. These dates will be confirmed prior to the scheduled date. The Working Groups will discuss the need for a Plenary Meeting in September at the September 7 and 8 meetings. If a plenary is not needed, the LMI Working Group will likely meet on 9/19, and the Value Stack and Rate Design Working Groups will likely meet on 9/20 as well.
