

Company Name: Con Edison
Case Description:
Case: 08-E-0539

Response to NYPA Interrogatories – Set NYPA4
Date of Response: 07/07/2008
Responding Witness: Electric Rate Panel

Question No. :80

Please provide all Con Edison individual customer metered data and billing data for 2006 and 2007 in electronic form. The data should be provided in a manner that allows for cross-referencing between the metered data and billing data using a customer identifier or address. Metered data should include: i. Meter number ii. Customer id or address iii. customer class iv. Time/Date stamp v. Demand value vi. Demand interval b. Billing data should include i. Customer id or address ii. Customer class iii. TOD indicator iv. High tension indicator v. Billing start date vi. Billing end date vii. Month/Year viii. Billed Demand ix. Billed Energy

Response:

These data are proprietary and additionally providing the requested data would require an extensive study that the Company is not obligated to perform. The Company therefore objects to providing this information.
