GOVERNOR ANDREW M. CUOMO

GOVERNOR CUOMO DIRECTS STATE DEPARTMENT OF PUBLIC SERVICE TO INVESTIGATE OPERATIONS AND SAFETY PROTOCOLS OF INDIAN POINT

Order Follows 13th Unplanned Shutdown at Indian Point since June 2012

Governor Andrew M. Cuomo today directed State Department of Public Service CEO Audrey Zibelman to immediately begin a full investigation of the operations and safety protocols at Indian Point Nuclear Facility. The Governor's action comes after the unexpected shutdown of Indian Point Unit 3 – which marks the 13th unplanned shutdown at the facility since June of 2012.

The Governor's letter directing CEO Zibelman to begin her investigation can be viewed [here](#).
