PSC SEEKS INPUT ON TIME WARNER/COMCAST REQUEST

— Comments Sought on Time Warner Cable and Comcast Merger Proposal —

Albany, NY – 06/05/14 – The New York State Public Service Commission (Commission) is seeking comment on a request by Time Warner Cable Inc. (Time Warner Cable) and Comcast Corporation (Comcast) to transfer certain Time Warner Cable telephone systems, cable systems, franchises and assets to Comcast. Under the proposal, Comcast will acquire 100 percent of Time Warner Cable’s equity in exchange for Comcast Class A shares. Comcast plans to retain all of Time Warner Cable’s existing assets in New York State.

As previously announced by Governor Andrew M. Cuomo on May 19, 2014, the Commission will use its new regulatory powers to conduct a thorough and detailed investigation into the proposed merger to determine whether the proposed transaction is in the best interest of Time Warner’s New York customers and the State as a whole. Both companies currently provide digital cable television, broadband internet and VoIP telephone services in New York State. Time Warner serves approximately 2.6 million subscribers statewide while Comcast has 23,000 subscribers in Dutchess, Westchester and Putnam counties.
