**Public Comment Sought on Proposed Wind Farm in Chautauqua County
— 126 MW Project in Towns of Charlotte, Cherry Creek, Arkwright, and Stockton —**

ALBANY — The New York State Board on Electric Generation Siting and the Environment (Siting Board) today announced it will hold a public statement hearing concerning an application filed by Cassadaga Wind LLC (Cassadaga), seeking authority to build and operate a 126 MW wind farm project in the Chautauqua County.

The project is proposed to be located in the Towns of Charlotte, Cherry Creek, Arkwright, and Stockton in Chautauqua County, and would interconnect to the state's electrical grid along the Dunkirk-Moon transmission line. The project includes up to 58 wind turbines, associated collection lines (below grade and overhead), access roads, meteorological towers, operation and maintenance building, collection and point of interconnect substations, and related facilities.

An informational forum and a public statement hearing will be held before the three Examiners from the Siting Board, two Administrative Law Judges from the New York State Department of Public Service (Department), and one Administrative Law Judge from the New York State Department of Environmental Conservation. The information forum and public statement hearing will be held as follows:

Monday, January 9, 2017

**Sinclairville Fire Department
30 Main Street, Sinclairville, NY 14782**

Informational Forum	6:00 PM
Public Statement Hearing	7:00 PM

At the informational forum, the examiners will provide an overview of the Siting Board's certification process. Cassadaga will then present a brief summary of the proposed project and will have maps of the proposed project area available for viewing. Members of the public will then have an opportunity to pose questions about the process and the certificate application pending before the Siting Board.

At the hearing, any person wishing to provide a public statement must complete a request card, and the examiners will use the request cards to call each person who has requested to provide a

statement. The examiners will continue the hearing until everyone wishing to speak has been heard or other reasonable arrangements have been made. A verbatim transcript of the hearing will be made for inclusion in the record of this case.

Disabled persons requiring special accommodations should call the Department of Public Service's Human Resources Management Office at (518) 474-2520 as soon as possible.
