PUBLIC COMMENT SOUGHT ON O&R PROPOSED RATE INCREASE — Additional Public Hearings Announced —

Albany, NY – 01/31/11 – The New York State Public Service Commission today announced it will hold additional public statement hearings concerning a proposal by Orange & Rockland Utilities, Inc. to increase electric rates.

Orange & Rockland proposed, in a January 5, 2011 filing, to increase its revenues by \$59.4 million. The company stated several reasons for the rate request, including the need to recover costs already incurred (e.g., pensions, other post-employment benefits, storm costs); increases in operating expenses; lower forecasted sales; increased property and other taxes; and carrying costs associated with new utility infrastructure. The Commission may grant, deny or modify any portion of the company's rate proposals.

The additional public statement hearings will be held in two sessions in Orange County as follows:

Thursday, February 17, 2011

Afternoon Session: 4:00 PM to 6:00 PM
Evening Session: 8:00 PM to 10:00 PM
Legislative Chamber
County Office Building
255 Main Street
