In addition to the video broadcasting of the meeting in the Commission's New York City offices, the meeting will be broadcast live on the Internet. The Internet broadcast can be viewed by accessing <http://nydps.onlinevideoservice.com>.

Archives are available on the Department Web site within two business days after the meeting.

The agenda is divided into two sections. However, since adequate forums are available for public participation in cases before the Commission there will be no opportunity for the public to address the Commission.
