New York State Siting Board to Meet

Siting Board to Consider Canisteo Wind's Application to Build and Operate a 290.7 MW Wind Farm in Steuben County

ALBANY — The New York State Board on Electric Generation Siting and the Environment (Siting Board) will meet on Friday, March 13, 2020, at 10:30 a.m. to consider Canisteo Wind Energy, LLC's (Canisteo Wind) application for a Certificate of Environmental Compatibility and Public Need to construct and operate a 290.7 megawatt (MW) wind electric generating facility in the Towns of Cameron, Canisteo, Jasper, Greenwood, Troupsburg and West Union in Steuben County.

Canisteo Wind has applied to build and operate a utility-scale wind power project that would include up to 117 wind turbines together with associated electrical collection system, access roads, collection substation components, meteorological towers, an operation and maintenance building, and other related facilities. CWE proposes to interconnect the project to the power grid by constructing electric transmission lines that would interconnect to New York State Electric and Gas Corporation's Bennett substation in the Town of Hornellsville.

The application for the proposed Project may be reviewed online at the Siting Board web page (<http://www.dps.ny.gov/SitingBoard>), by following the link to "Projects Under Review," on the left side of the page. It also may be accessed by visiting the Department of Public Service website, www.dps.ny.gov, then clicking the "Search" link on the upper center area of the page, then using the "Search by Case Number" feature, to search for **Case 16-F-0205**. The application materials may be located under the tab "Filed Documents." The application is also available for review at local public libraries in the project area, upon request to Canisteo Wind Energy, and on the Canisteo Wind Energy web site at <https://www.canisteowind.com/>.

Members of the Siting Board will meet in the Public Service Commission's Board Room, 19th floor, Three Empire State Plaza, Albany, New York. Video-conference connections to the Siting Board meeting are available in the Department's New York City offices, Video-Conference Room C, 4th floor at 90 Church St., New York City.

The meeting also will be webcast live on the internet. The webcasting will be available for viewing and listening purposes only. The Internet webcast can be viewed by accessing <http://www.dps.ny.gov/Webcasts.html>.
