§ 647.1 Definition

The following term, when used in these regulations, shall have the meaning indicated: a reseller of telephone services is a telephone corporation as defined in the Public Service Law, which shall subscribe to communications services and facilities from a telephone corporation, and which shall reoffer communications services to the public for profit. The term reseller shall not include landline telephone companies other than subsidiaries of landline companies which maintain separate books of account, and shall not include motels, hotels or hospitals insofar as they are providing service only to their transient guests or patients within the confines of their own institutions.
