

E² Working Group Subcommittee Updates

Data Tracking Subcommittee:

A meeting date and schedule will be emailed to subcommittee members on Thursday, August 6.

Self Direct Guidance Subcommittee

The Self-Direct Program Guidance was filed August 3, 2015. The subcommittee will continue to meet to develop a common enrollment form and, if necessary, refine the design of the Self Direct Program.

EEPS 2 Wind Down Subcommittee:

The EEPS 2 Wind Down Subcommittee continues to meet to discuss the guidelines for the wind down of EEPS 2 programs, including the commitment/encumbrance reporting requirements, the end date by which projects must be completed in order for savings to count toward shareholder incentives, and the data required for Staff audit purposes.

Post-2015 Technical Resource Transition Subcommittee:

Subcommittee provided input to TRM Management plan which was filed June 01, 2015 by the Joint Utilities. This subcommittee has been folded.

Tech Manual Subcommittee:

Subcommittee concluded its work with the release of TRM Version 3, and transfer of TRM related materials to the utilities on June 01, 2015. This subcommittee has been folded.

Residential Appliance Metering Study:

The team has received and is reviewing the first draft of DNV GL's sampling plan for Phase 1. National Grid and Con Edison are awaiting the delivery of the Enetics device for testing, and hope to start lab testing soon.

Technical Resource Manual Management Subcommittee (TRM MC):

The TRM MC has been engaged in prioritizing work transferred to it from DPS staff and finalizing processes to update and add measures to the TRM. Amanda DiMaso (Central Hudson) has volunteered to be the liaison for the TRM MC to the E2 Working Group.
