Indian Point Closure Task Force to Hold Meeting

Task Force Continues Work with Local Governments to Address Employment and Property Tax Impacts; Monitor Compliance with Closure Agreement

ALBANY — The New York State Department of Public Service (Department) announced the next meeting of the Indian Point Closure Task Force on Thursday, January 30, 2020 at the Cortlandt Town Hall, Cortlandt, New York at 7:00 PM. The purpose of the meeting will be to continue discussion on the goals and priorities of the Task Force and to report on its progress. Members of the public are welcome to attend. The meeting will be jointly held with the locally organized Community Unity Task Force.

On February 28, 2017, Governor Andrew M. Cuomo announced the creation of a task force to provide guidance and support to the communities, taxing jurisdictions, and employees affected by the planned closure of Indian Point. The Task Force was charged with developing recommendations to mitigate local tax and workforce impacts, evaluating and identifying new economic opportunities and work force retraining programs and opportunities, advocating for appropriate decommissioning timelines in the best interests of local communities, and ultimately positioning the region for a prosperous and sustainable future.

At its last meeting, held on September 25, 2019, the Task Force publicly discussed and identified initiatives to help the local community prepare for the facility to cease power generation operations and shut down by 2021, discussed the proposed sale of Indian Point for decommissioning, and continued discussions with local labor unions on employee support services.
